Medicare coverage is available for FreeStyle Libre systems if their respective readers are used to review glucose data on some days every month. Medicare and other third-party payor criteria apply. Abbott provides this information as a courtesy, it is subject to change and interpretation. The customer is ultimately responsible for determining the appropriate codes, coverage, and payment policies for individual patients. Abbott does not guarantee third party coverage or payment for our products or reimburse customers for claims that are denied by third party payors.

*Eligible patients will receive one (1) FreeStyle Libre 2 sensor or (1) FreeStyle Libre 3 sensor for users with a compatible mobile phone operating system at \$0 copay. The expiration date of the voucher is 60 days from the issue date. This program is available for patients with Type 1, Type 2, or gestational diabetes. Patients ages 18 and older are eligible to sign up and receive an offer for the (1) FreeStyle Libre 2 sensor or (1) FreeStyle Libre 3 sensor. Patients ages 4-17 are eligible to receive an offer for the (1) FreeStyle Libre 2 sensor or (1) FreeStyle Libre 3 sensor through their parent or guardian. This offer is void where prohibited by law. Abbott may modify or rescind this offer at any time without notice. The discounts are not available to beneficiaries of Kaiser Permanente, Medicare, Medicaid or other federal or state healthcare programs, residents of Massachusetts, or US territories (other than Puerto Rico). The free (1) FreeStyle Libre 2 sensor or (1) FreeStyle Libre 3 sensor is provided as a sample and is limited to one sample per eligible person per product identification number. The FreeStyle Libre 2 sensor or FreeStyle Libre 3 sensor cannot be re-sold, traded nor submitted to any third-party payer for reimbursement and is not provided as any inducement for future purchases. The free sample card is not health insurance. †Participating pharmacies are subject to change without notice. ‡The FreeStyle Libre 2 or 3 apps are only compatible with certain mobile devices and operating systems. Please check our website for more information about device compatibility before using the apps. Use of the apps may require registration with LibreView.

Important Safety Information

Failure to use FreeStyle Libre 2 or FreeStyle Libre 3 systems as instructed in labeling may result in missing a severe low or high glucose event or making a treatment decision, resulting in injury. If glucose alarms and readings do not match symptoms or expectations, use a fingerstick value from a blood glucose meter for treatment decisions. Seek medical attention when appropriate or contact Abbott at 855-632-8658 or <https://www.FreeStyle.abbott/us-en/safety-information.html> for safety info.
