SUDDEN CARDIAC ARREST RESPONSE SOLUTIONS

WHY CHOOSE US?

From AED sales and repair services, program management, and CPR training, we cover all aspects of cardiac emergency preparedness.

Cardio Partners specializes in a wide variety of services and solutions.

AED Compliance Management

Help ensure mandatory guideline compliance and increase successful AED usage.

Biomedical Service and Repair

Provide prompt maintenance and repairs with our in-house service capabilities.

Fixed Payment Program

Streamline AED ownership at a price that fits your budget.

Program Consultation

Identify safety program gaps and help maintain compliance.

AED Trade-In Program

Trade in your used AED equipment for credit or discounts toward upgraded models.

White Glove Service

We take on the heavy lifting to simplify multi-site AED and CPR training deployment.
